Stephen W. Ponder, MD, FAAP, CDE, is a board-certified pediatric endocrinologist with Scott and White Healthcare in Temple, TX. He is also the 2017 Diabetes Educator of the Year Award Recipient for Texas. Dr. Ponder was diagnosed with Type 1 Diabetes over 51 years ago and is a fun, inspirational speaker and innovator in diabetes management.

Dr. Ponder is the creator of Sugar Surfing™ and co-author of the book of the same name. Sugar Surfing describes the discipline of diabetes self-management 'in the moment' using frequent pattern management enabled by either continuous glucose monitoring or frequent BG checks using a standard hand held blood sugar monitoring device.
